MEMORANDUM FOR: Assistant Director for Current
Intelligence

ATTENTION: Chief, Military Division

SUBJECT: Suggestions for Improving Utility of
OAK Reports

REFERENCE: TCS-3781-64, dated 6 July 1964

1. Your memorandum dated 6 July 1964 has been received and action has been taken by the Photographic Analysis Group to incorporate the two suggestions made in reference into the next OAK report issued by NPIC.

2. The National Photographic Interpretation Center is continually striving to improve the quality and utility of all national reporting and any future suggestions along these lines are most most welcome. Recommendations or suggestions can be forwarded directly to the Assistant for Photographic Analysis, NPIC.
